

BITCHY GIRL

Bitchy girl...

Rem Lam
That song was made for you,
Rem Lam
your body into the fire.
Mi Lam
The night without the moon,
Rem Mi
the best expression of the life.

Rem Lam
Pèrfect was the sound
Rem Lam
there was right atmosphere.
Mi Lam
The music was around
Rem Lam
and the voice slowly here

Bitchy girl.....

Such a cloud in the sky

So dissolves as a birth of a fly

Rem
the song was not for you,
Lam
it was made at four hands
Mi Lam
for a quiet ... spirit true.
Lam
But you can't understand

Do Sol
The spirit of the fire,
Do Sol
an element not allowing.
Rem Lam
A flame in the air
Mi Lam
sensation of right doing

Bitchy girl.....

Such a cloud in the sky

So dissolves as a birth of a fly

Bitchy girl.....
